Hi Arlo,

I've received a sealed copy of Mr. Scott's recorded statement and would like to make arrangements to provide it to you. The statement is being produced to you in its un-redacted form and has been reviewed by members of the privilege review/taint team only. Please let me know whether you would like to send someone to pick up the recording, or whether I should bring it to court tomorrow morning.

Best,  
Julieta
